# MAKING A POSITIVE IMPACT ON YOUNG LIVES

## Cora

12-year-old Cora is determined to excel in parafencing. With support from Watermark for Kids and The Fountains at La Cholla, she received funding for training, equipment, and travel to competitions. She has already won the Parafencing North American Cup and is now setting her sights on representing Team USA at the 2028 Paralympics in Los Angeles.

*"A few years ago was when things started to get worse and I couldn't do standing sports anymore. I thought I wouldn't be able to do any sports but then I found fencing and it really encouraged me to work harder." — Cora*

## Kaylee

Six-year-old Kaylee faced major challenges after battling Guillain-Barré syndrome. To ensure Kaylee's safe return home, Watermark for Kids provided essential home modifications, including a wheelchair ramp, bathroom adaptations, and other accessibility improvements, restoring her independence and comfort.

*"We are so grateful for everything Watermark for Kids has done to help Kaylee. You've made her life easier, happier, and more fun. These changes gave her the freedom to come home safely and keep moving forward." — Kaylee's mom*

## BRINGING HOPE HOME:

### THE HACIENDA AT GEORGETOWN™ AND WATERMARK FOR KIDS PARTNER WITH HOPE HOUSE

In October 2025, The Hacienda at Georgetown and Watermark for Kids proudly partnered with Hope House, a nonprofit in Liberty Hill, Texas, that provides lifelong, family-style residential care for children and adults with profound intellectual and developmental disabilities.

Since 1966, Hope House (formerly Casa Esperanza) has been a place where love and care come first. Their mission is simple yet extraordinary — to offer safe, nurturing homes where residents live with dignity, receive individualized therapy, and thrive in a true family setting. Today, Hope House operates five homes and serves 47 residents, with many more waiting for a place to call home.

This year, Watermark for Kids and The Hacienda at Georgetown awarded Hope House a \$10,000 grant to enhance communication and enrichment for residents. With these funds, Hope House is equipping non-verbal residents with iPads — opening doors to self-expression, connection, and creativity. The grant also supports therapeutic and recreational programs that make every day more engaging and joyful.

But the partnership didn't stop at a donation. Associates and residents from The Hacienda at Georgetown joined the Hope House community for a joyful drum circle, filling the homes with rhythm, laughter, and connection. It was a powerful reminder of what can happen when communities come together — not only to give, but to share moments that matter.

Hope House and Watermark for Kids share a common vision: every individual, regardless of ability, deserves the chance to live their best life. Together, we're helping make that possible — one child, one day, and one joyful beat at a time.
