Rose Tree Place in Media, a Watermark Retirement Community, celebrated all things Barbie recently, with a themed party fueled by pink and more pink.

Inspired by the hit movie, the residents and associates at Rose Tree Place celebrated in a Barbie Dreamhouse, snacking on pink goodies and taking photos in a life-size Barbie box.

Attendees were wowed by entertainer Debbie Doo Wop, a real-life singing Barbie. To top off the party, everyone watched the movie "Barbie" together. For more information on Rose Tree Place, visit <http://watermarkcommunities.com>.
