

Redefining Senior Living

As part of Watermark Retirement Communities, we're creating an extraordinary and innovative community where people thrive. More than 30 years of experience have taught us that today's seniors want more choices and are leading a more active lifestyle than generations before. Caliche Senior Living offers endless options, including cozy studio suites and spacious one- and two-bedroom apartments, chef-prepared cuisine, fun events and outings, engaging mind and body fitness classes, unparalleled personalized care, and more. It's all part of our culture of choice.

It's Not What You'd Expect, and That's the Whole Point.

The Perfect Setting

Casa Grande provides a tranquil reprieve for its residents and visitors with city amenities just about an hour away, with Phoenix to the north and Tucson to the south. Our unrivaled climate boasts 295 sunny days per year, making it the perfect setting for golfing, hiking, and biking year-round. Rich history and culture surrounds the community with unique attractions, including Caywood Farms and the futuristic Domes of Casa Grande, along with deep-rooted Native American influences seen throughout the town.
