COSMOPOLITAN LIVING

More than 30 years of experience have taught us that today's seniors aren't ready for a life of leisure, even though they've certainly earned it. They want much more. Today's seniors want abundant choices to fuel their vitality and pique their interests. It's no wonder so many are flocking to The Fountains at Lake Pointe Woods in beautiful Sarasota. Here, in the heart of Florida's Cultural Coast, we've created an all-inclusive retirement resort that caters to an unretirement mindset. Our residents have traveled the world and experienced the best. We indulge their uncompromising standards of customer service and invite them to challenge themselves in ways that excite them. The result is a cosmopolitan and friendly community of neighbors – educated, diverse, and brought together by a lifetime of accomplishments.

**IT'S NOT WHAT YOU'D EXPECT, AND THAT'S
THE WHOLE POINT.**
