Where the living is easy.

Boasting open floor plans, modern architecture, and rustic details, our light-filled residences at The Watermark at Napa Valley allow residents to take full advantage of the surrounding scenery. Expansive outdoor areas, including a heated courtyard, provide the perfect environment for quiet reading and reflection, outdoor yoga, or a friendly game of bocce or pickleball.

Upscale amenities and services abound as well: cultural and wellness programs, a fitness center and luxury spa, a theater and art studio, even a wine bar—a must in wine country, of course. And concierge service makes it easy to savor all that Napa has to offer, from the area's Michelin-starred restaurants to shopping and other excursions.

The Watermark at Napa Valley is a true sanctuary where engagement and enrichment go hand in hand.

Three levels of exceptional care.

The Watermark at Napa Valley offers studios as well as one- and two-bedroom residences for Independent Living, Assisted Living, and Memory Care—all with access to expert care tailored to fit residents' lifestyles. Each home features a kitchen or kitchenette, spacious bathrooms with walk-in showers, formal dining rooms, and floor-to-ceiling windows affording prime views of the rolling Napa hills.

MEMORY CARE

The groundbreaking Thrive Memory Care program at The Watermark at Napa Valley offers residences on the first floor; it's a loving, nurturing environment designed for those in need of additional comfort and care. Led by our "Nayas," caregivers who are named after the ancient Sanskrit word for "person of wisdom," Memory Care also includes dedicated dining, integrated wellness programs, and curated activities with the unique needs of these residents in mind. It's a community that provides every individual with opportunities to engage, stay active, and truly feel at home.

Feed the body. Nourish the soul.

Napa is one of the world's top food and wine destinations, and our farm-to-table dining experiences at The Watermark at Napa Valley—whether al fresco by the fire pit or at our chef-helmed gourmet restaurants—are inspired by nature's bounty and sourced from organic farms nearby. In-residence dining and private catering for special occasions is available as well.
