VITALITY

The path to wellness and enrichment begins here.

Watermark University features dozens of enriching activities and classes on topics including visual art, cooking, and mindful meditation. Residents and associates are encouraged to become instructors themselves.

The Watermark at Bellevue is devoted to well-being in all its forms. Our signature 360Well program follows a holistic approach rooted in the four key “circles” of wellness – mind, body, spirit, and community – and the notion that while each serves an important role on its own, they are also interconnected: strengthening one dimension enables us to strengthen the others.

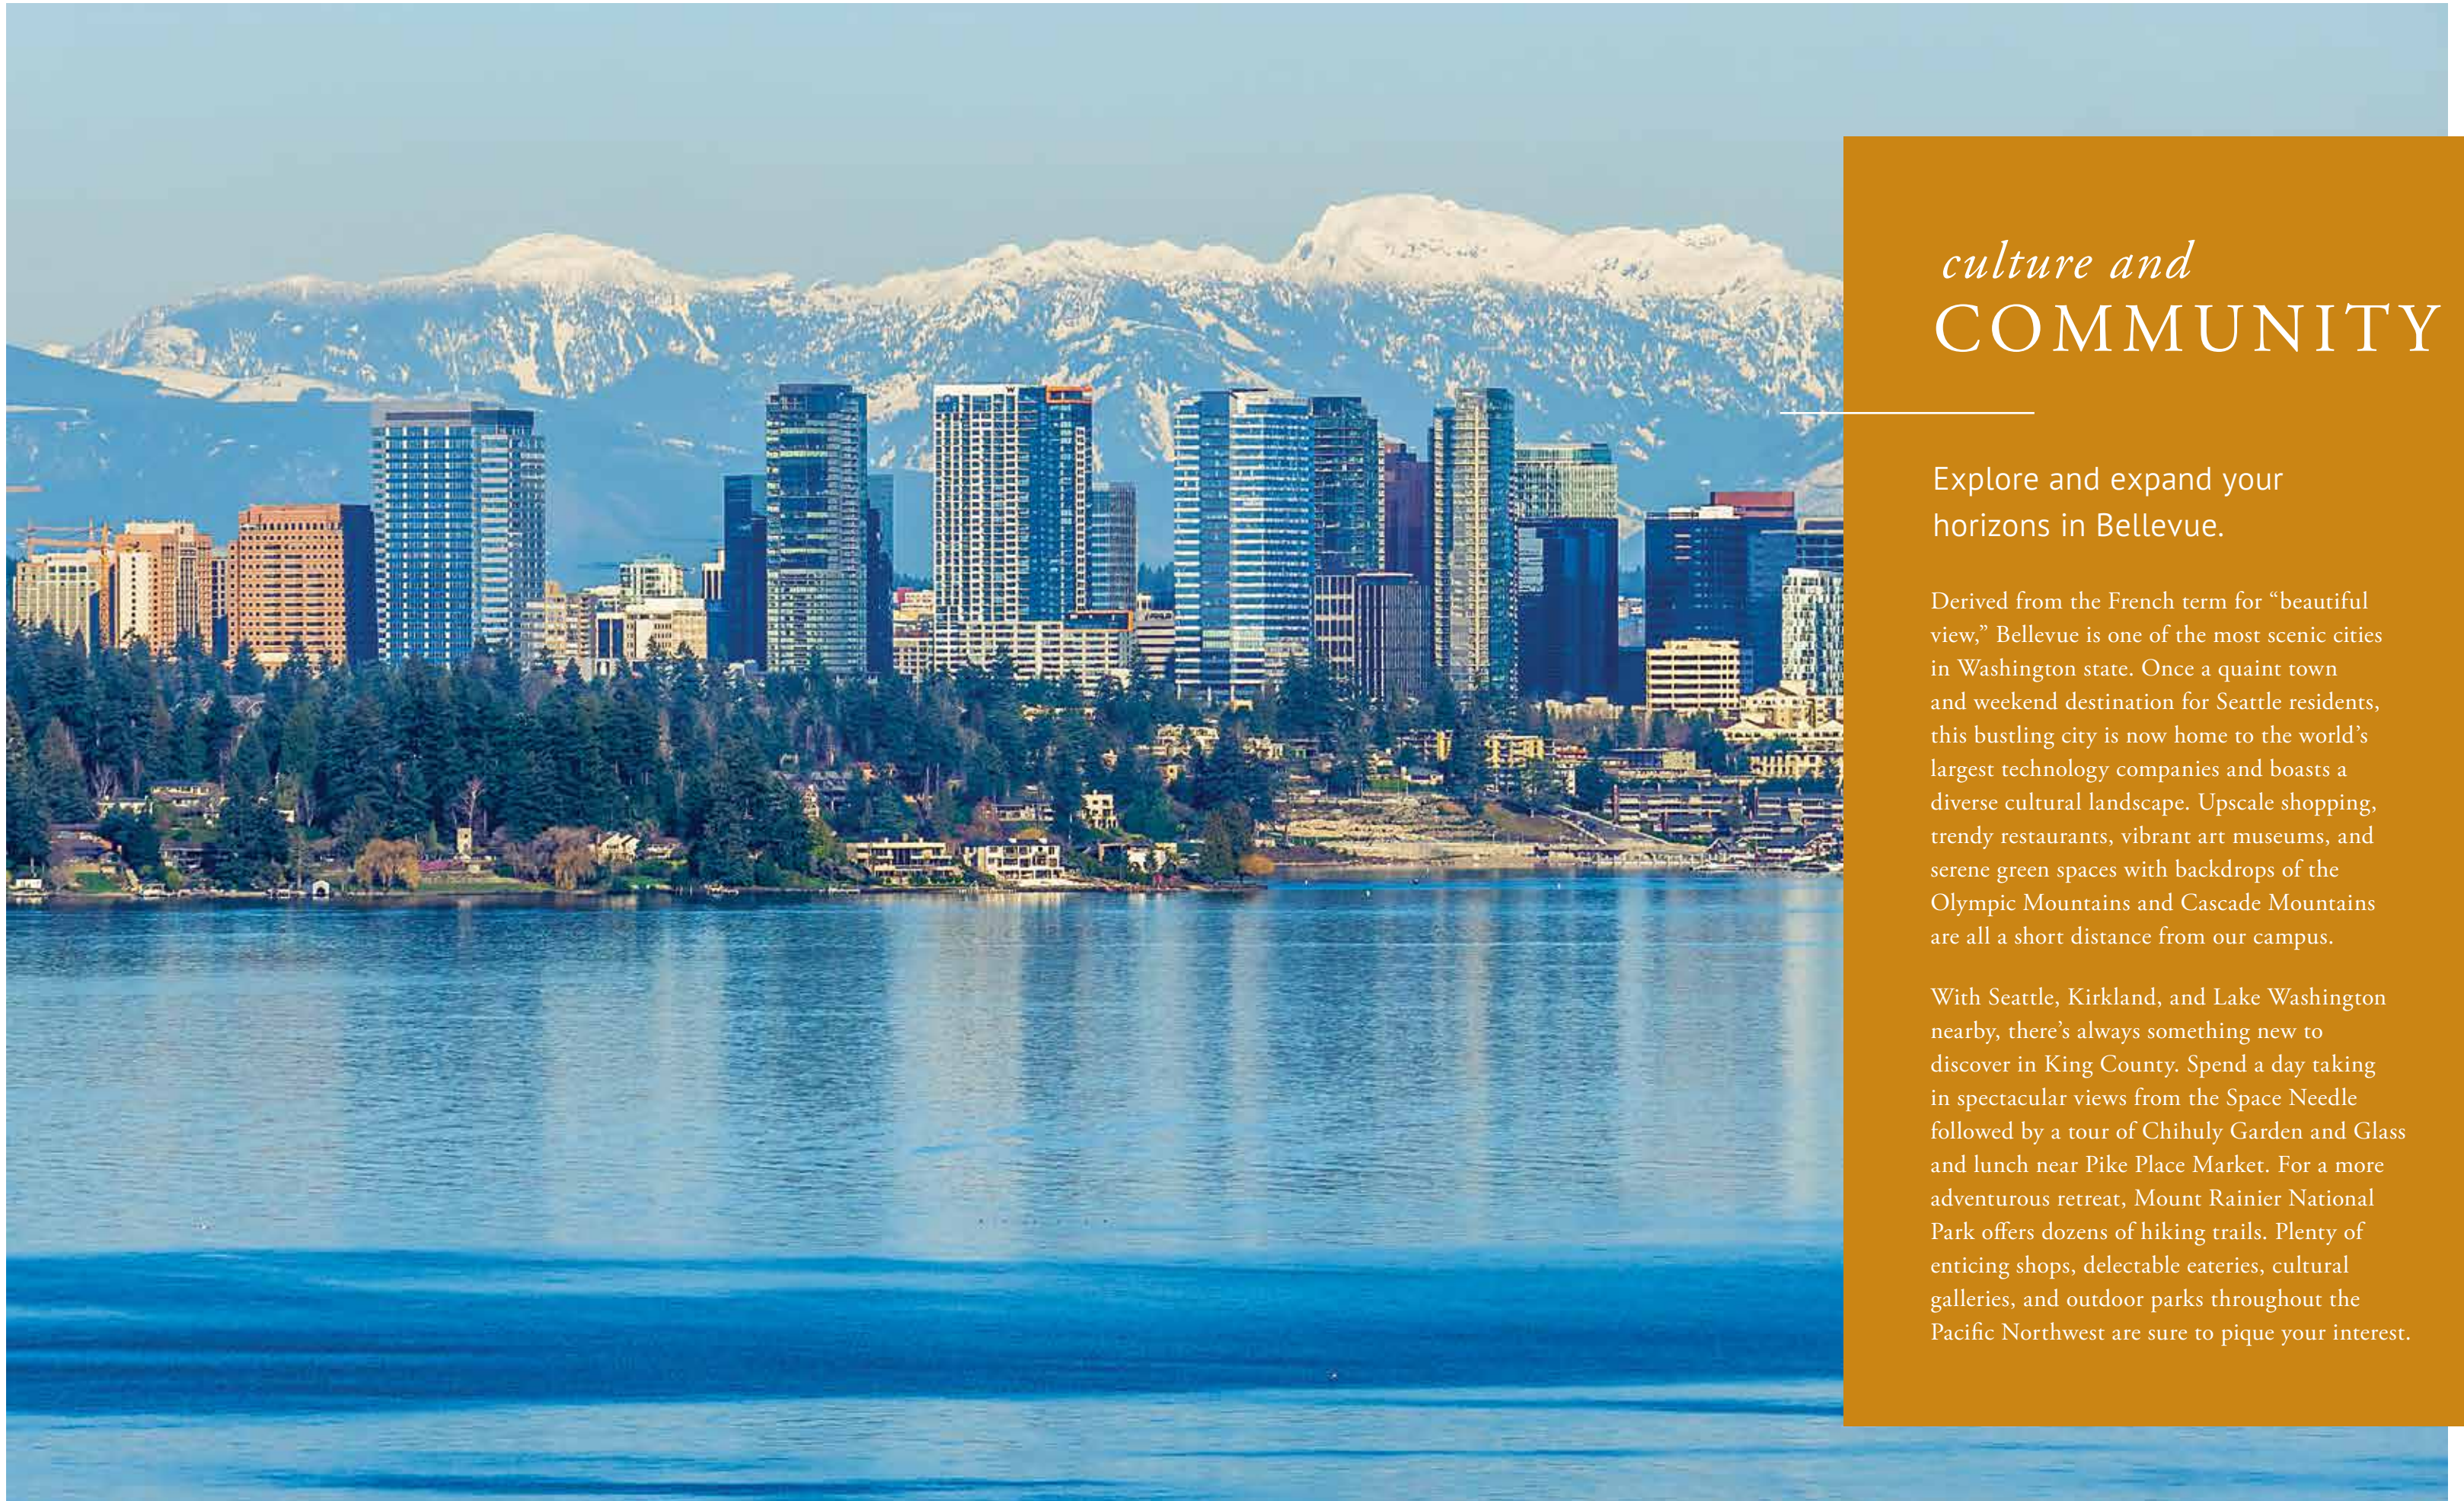

360Well

It’s no secret that our physical wellness plays a key role in overall happiness, so each fitness program at The Watermark at Bellevue is crafted for our residents’ specific abilities. There are also plenty of opportunities to connect with nature during outdoor activities.

Mental and emotional well-being play key roles in the ability of any individual to thrive, and our holistic approach includes a variety of offerings that enrich the mind. From award-winning Watermark University courses to memorable excursions through our Extraordinary Outings program, you’ll enjoy countless experiences tailored to your unique interests.

culture and **COMMUNITY**

Explore and expand your horizons in Bellevue.

Derived from the French term for “beautiful view,” Bellevue is one of the most scenic cities in Washington state. Once a quaint town and weekend destination for Seattle residents, this bustling city is now home to the world’s largest technology companies and boasts a diverse cultural landscape. Upscale shopping, trendy restaurants, vibrant art museums, and serene green spaces with backdrops of the Olympic Mountains and Cascade Mountains are all a short distance from our campus.

With Seattle, Kirkland, and Lake Washington nearby, there’s always something new to discover in King County. Spend a day taking in spectacular views from the Space Needle followed by a tour of Chihuly Garden and Glass and lunch near Pike Place Market. For a more adventurous retreat, Mount Rainier National Park offers dozens of hiking trails. Plenty of enticing shops, delectable eateries, cultural galleries, and outdoor parks throughout the Pacific Northwest are sure to pique your interest.
