

MEDICARE WILL PAY FOR REHABILITATION AND SKILLED NURSING WHEN ...

You have Medicare Part A and have days available in your benefit period.

You have a qualifying hospital stay of three or more consecutive overnights.

Your doctor has ordered services for Rehabilitation and Skilled Nursing care to be provided by a skilled professional such as a registered nurse, physical, speech or occupational therapist.

You require skilled care on a daily basis.

You need skilled services for a medical condition and those services are reasonable and necessary for the diagnosis or treatment.

HOW MUCH OF MY STAY MAY BE COVERED BY MEDICARE?

Days 1–20 100%

Days 21–100 A daily copayment applies

If you have a Medicare supplemental or other secondary insurance policy, your policy may pay all of your daily copayment.
